LORD, nor rebel against us, in {building} you an altar beside the altar of the LORD our God. building <1KI3 -1> And Solomon made affinity with Pharaoh king of Egypt, and took Pharaoh's daughter, and brought her into the city of David, until he had made an end of {building} his own house, and the house of the LORD, and the wall of Jerusalem round about. building <1KI6 -7> And the house, when it was in building, was built of stone made ready before it was brought thither: so that there was neither hammer nor ax [nor] any tool of iron heard in the house, while it was in {building}. building <1KI6 -7> And the house, when it was in {building}, was built of stone made ready before it was brought thither: so that there was neither hammer nor ax [nor] any tool of iron heard in the house, while it was in building. building <1KI6 -12> Concerning] this house which thou art in {building}, if thou wilt walk in my statutes, and execute my judgments, and keep all my commandments to walk in them; then will I perform my word with thee, which I spake unto David thy father: building <1KI6 -38> And in the eleventh year, in the month Bul, which [is] the eighth month, was the house finished throughout all the parts thereof, and according to all the fashion of it. The length by cubits after the first measure [was] threescore cubits, and the breadth twenty cubits. building <2CH16 -5> And it came to pass, when Baasha heard [it], that he left off {building} of Ramah, and let his work cease. building <2CH16 -6> Then Asa the king took all Judah; and they carried away the stones of Ramah, and the timber thereof, wherewith Baasha was {building}; and he built therewith Geba and Mizpah. building Then the people of the land weakened the hands of the people of Judah, and troubled them in {building}, building Be it known unto the king, that the Jews which came up from thee to us are come unto Jerusalem, {building} the rebellious and the bad city, and have set up the walls [thereof], and joined the foundations. building Then said we unto them after this manner, What are the names of the men that make this {building}? building Then came the same Sheshbazzar, [and] laid the foundation of the house of God which [is] in Jerusalem: and since that time even until now hath it been in {building}, and [yet] it is not finished. building Moreover I make a decree what ye shall do to the elders of these Jews for the {building} of this house of God: that of the king's goods, [even] of the tribute beyond the river, forthwith expenses be given unto these men, that they be no t hindered. building By much slothfulness the {building} decayeth; and through idleness of the hands the house droppeth through. building Neither shall Pharaoh with [his] mighty army and great company make for him in the war, by casting up mounts, and {building} forts, to cut off many persons: building And behold a wall on the outside of the house round about, and in the man's hand a measuring reed of six cubits [long] by the cubit and an hand breadth: so he measured the breadth of the {building}, one reed; and the height, one reed. building Now the building that [was] before the separate place at the end toward the west [was] seventy cubits broad; and the wall of the {building} [was] five cubits thick round about, and the length thereof ninety cubits. building Now the {building} that [was] before the separate place at the end toward the west [was] seventy cubits broad; and the wall of the building [was] five cubits thick round about, and the length thereof ninety cubits. building So he measured the house, an hundred cubits long; and the separate place, and the {building}, with the walls thereof, an hundred cubits long; building And he measured the length of the {building} over against the separate place which [was] behind it, and the galleries thereof on the one side and on the other side, an hundred cubits, with the inner temple, and the porches of the court; building Then he brought me forth into the utter court, the way toward the north: and he brought me into the chamber that [was] over against the separate place, and which [was] before the {building} toward the north. building Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the {building}. building For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the {building}] was straitened more than the lowest and the middlemost from the ground. building The chambers [were] in the thickness of the wall of the court toward the east, over against the separate place, and over against the {building}. building And [there was] a row [of {building}] round about in them, round about them four, and [it was] made with boiling places under the rows round about. building Then said the Jews, Forty and six years was this temple in {building}, and wilt thou rear it up in three days? building <1CO3 -9> For we are labourers together with God: ye are God's husbandry, ye are] God's {building}. building <2CO5 -1> For we know that if our earthly house of this] tabernacle were dissolved, we have a {building} of God, an house not made with hands, eternal in the heavens. building In whom all the {building} fitly framed

together groweth unto an holy temple in the Lord: building But Christ being come an high priest of good things to come, by a greater and more perfect tabernacle, not made with hands, that is to say, not of this {building}; building But ye, beloved, {building} up yourselves on your most holy faith, praying in the Holy Ghost, building And the {building} of the wall of it was of] jasper: and the city was] pure gold, like unto clear glass.

building Notwithstanding, if the land of your possession [be] unclean, [then] pass ye over unto the land of the possession of the LORD, wherein the LORD'S tabernacle dwelleth, and take possession among us: but rebel not against the LORD, nor rebel against us, in {building} you an altar beside the altar of the LORD our God. building <1KI3 -1> And Solomon made affinity with Pharaoh king of Egypt, and took Pharaoh's daughter, and brought her into the city of David, until he had made an end of {building} his own house, and the house of the LORD, and the wall of Jerusalem round about. building <1KI6 -7> And the house, when it was in building, was built of stone made ready before it was brought thither: so that there was neither hammer nor ax [nor] any tool of iron heard in the house, while it was in {building}. building <1KI6 -7> And the house, when it was in {building}, was built of stone made ready before it was brought thither: so that there was neither hammer nor ax [nor] any tool of iron heard in the house, while it was in building. building <1KI6 -12> Concerning] this house which thou art in {building}, if thou wilt walk in my statutes, and execute my judgments, and keep all my commandments to walk in them; then will I perform my word with thee, which I spake unto David thy father: building <1KI6 -38> And in the eleventh year, in the month Bul, which [is] the eighth month, was the house finished throughout all the parts thereof, and according to all the fashion of it. So was he seven years in {building} it. building <1KI7 -1> But Solomon was {building} his own house thirteen years, and he finished all his house. building <1KI9 -1> And it came to pass, when Solomon had finished the {building} of the house of the LORD, and the king's house, and all Solomon's desire which he was pleased to do, building <1KI15 -21> And it came to pass, when Baasha heard [thereof], that he left off {building} of Ramah, and dwelt in Tirzah. building <1CH28 -2> Then David the king stood up upon his feet, and said, Hear me, my brethren, and my people: [As for me], I [had] in mine heart to build an house of rest for the ark of the covenant of the LORD, and for the footstool of our God, and had made ready for the {building}: building <2CH3 -3> Now these [are the things wherein] Solomon was instructed for the {building} of the house of God. The length by cubits after the first measure [was] threescore cubits, and the breadth twenty cubits. building <2CH16 -5> And it came to pass, when Baasha heard [it], that he left off {building} of Ramah, and let his work cease. building <2CH16 -6> Then Asa the king took all Judah; and they carried away the stones of Ramah, and the timber thereof, wherewith Baasha was {building}; and he built therewith Geba and Mizpah. building Then the people of the land weakened the hands of the people of Judah, and troubled them in {building}, building Be it known unto the king, that the Jews which came up from thee to us are come unto Jerusalem, {building} the rebellious and the bad city, and have set up the walls [thereof], and joined the foundations. building Then said we unto them after this manner, What are the names of the men that make this {building}? building Then came the same Sheshbazzar, [and] laid the foundation of the house of God which [is] in Jerusalem: and since that time even until now hath it been in {building}, and [yet] it is not finished. building Moreover I make a decree what ye shall do to the elders of these Jews for the {building} of this house of God: that of the king's goods, [even] of the tribute beyond the river, forthwith expenses be given unto these men, that they be not hindered. building By much slothfulness the {building} decayeth; and through idleness of the hands the house droppeth through. building Neither shall Pharaoh with [his] mighty army and great company make for him in the war, by casting up mounts, and {building} forts, to cut off many persons: building And behold a wall on the outside of the house round about, and in the man's hand a measuring reed of six cubits [long] by the cubit and an hand breadth: so he measured the breadth of the {building}, one reed; and the height, one reed. building Now the building that [was] before the separate place at the end toward the west [was] seventy cubits broad; and the wall of the {building} [was] five cubits thick round about, and the length thereof ninety cubits. building Now the {building} that [was] before the separate place at the end toward the west [was] seventy cubits broad; and the wall of the building [was] five cubits thick round about, and the length thereof ninety cubits. building So he measured the house, an hundred cubits long; and the separate place, and the {building}, with the walls thereof, an hundred cubits long; building And he measured the length of the {building} over against the separate place which [was] behind it, and the galleries thereof on the one side and on the other side, an hundred cubits, with the inner temple, and the porches of the court; building Then he brought me forth into the utter court, the way toward the north: and he brought me into the chamber that [was] over against the separate place, and which [was] before the {building} toward the north. building Now the upper chambers [were] shorter: for the galleries were higher than these, than the lower, and than the middlemost of the {building}. building For they [were] in three [stories], but had not pillars as the pillars of the courts: therefore [the {building}] was straitened more than the lowest and the middlemost from the ground. building The chambers [were] in the thickness of the wall of the court toward the east, over against the separate place, and over against the {building}. building And [there was] a row [of {building}] round about in them, round about them four, and [it was] made with boiling places under the rows round about. building Then said the Jews, Forty and six years was this temple in {building}, and wilt thou rear it up in three days? building <1CO3 -9> For we are labourers together with God: ye are God's husbandry, ye are] God's {building}. building <2CO5 -1> For we know that if our earthly house of this] tabernacle were dissolved, we have a {building} of God, an house not made with hands, eternal in the heavens. building In whom all the {building} fitly framed together groweth unto an holy temple in the Lord: building But Christ being come an high priest of good things to come, by a greater and more perfect tabernacle, not made with hands, that is to say, not of this {building}; building But ye, beloved, {building} up yourselves on your most holy faith, praying in the Holy Ghost, building And the {building} of the wall of it was of] jasper: and the city was] pure gold, like unto clear glass.
