

# Word Study for -- SOLACE

A serene landscape at sunset or sunrise. The sun is low on the horizon, partially obscured by a dense line of bare trees. The sky is a warm, golden-orange color. The foreground is a body of water, possibly a lake or a wide river, which is covered in a thick layer of mist or fog. The trees and the sun are reflected in the water, creating a symmetrical effect. The overall mood is peaceful and contemplative.
