

A close-up photograph of a branch with several vibrant pink flowers. The flowers have five petals and prominent yellow stamens. The background is dark and out of focus, highlighting the delicate structure and color of the blossoms.

Joshua 13:00 From Aroer, that is  
upon the bank of the river Arnon,  
and the city that is in the midst of  
the river, and all the plain of  
Medeba unto Dibon;
