

A close-up photograph of a bright yellow sunflower with a bumblebee on its center, set against a clear blue sky. The sunflower's petals are vibrant yellow, and the center is a dense cluster of dark brown seeds. A bumblebee is visible on the lower part of the center, facing left. The background is a solid, clear blue sky.

**Job 24:19 Drought and heat
consume the snow waters: so doth
the grave those which have sinned.**
