

A fossilized wood specimen is embedded in a concrete block on a beach. The fossil shows the cellular structure of the wood, appearing as a dark, textured, rectangular shape within the light-colored concrete. The background consists of dark brown mulch, green grass, and several seashells scattered on the ground.

**Revelation 14:12 Here is the
patience of the saints: here are
they that keep the commandments
of God, and the faith of Jesus.**
