

An aerial photograph showing a complex network of wooden pilings and beams extending into a body of water. The structure appears to be a pier or dock, with various levels and walkways. The water is a deep blue-grey color, and the sky is a pale, overcast blue. The overall scene is industrial and somewhat desolate.

Mar 06:04 But Jesus said unto them, A prophet is not without honour, but in his own country, and among his own kin, and in his own house.
