

An aerial photograph of a tropical atoll. The central lagoon is a deep, dark blue-green color. The surrounding land is a vibrant green, with a network of narrow, winding paths or roads. In the lower-left quadrant, a small, white, rectangular building with a dark roof is visible on a small island. The overall scene is lush and serene, with the natural beauty of the atoll providing a backdrop for the text.

**Luk 06:43 For a good tree bringeth not
forth corrupt fruit; neither doth a
corrupt tree bring forth good fruit.**
