

A vibrant photograph of a waterfall cascading over dark, moss-covered rocks in a lush, green forest. The water is white and frothy as it falls, creating a sense of movement and freshness. The surrounding foliage is dense and verdant, with various shades of green and hints of brown from the rocks and tree trunks. The overall scene is serene and natural.

**Luk 18:30 Who shall not receive
manifold more in this present time,
and in the world to come life
everlasting.**
