

A serene landscape photograph featuring snow-covered rocks and ice formations in a body of water. The scene is captured during the "blue hour" of twilight, with a deep blue sky and calm water reflecting the light. The snow on the rocks is bright white, contrasting with the dark water and sky. The overall mood is peaceful and contemplative.

**Joh 12:36 While ye have light, believe  
in the light, that ye may be the  
children of light. These things spake  
Jesus, and departed, and did hide  
himself from them.**
