

A close-up photograph of a bouquet of white flowers. The bouquet features several large, fully bloomed white roses with delicate, layered petals. Interspersed among the roses are numerous small, delicate white flowers, likely baby's breath, which add a soft, airy texture to the arrangement. The background is softly blurred, showing more of the same floral elements. The overall lighting is soft and natural, highlighting the purity and beauty of the white blooms.

Genesis 13:04 Unto the place of the altar, which he had made there at the first: and there Abram called on the name of the LORD.
