

A close-up photograph of a large cluster of petunias. The primary focus is on numerous white and pale yellow flowers with yellow centers, which are densely packed and appear to be cascading. In the upper left corner, there are several bright red flowers. In the lower left corner, there are some purple flowers. The background is dark and out of focus, showing more greenery and hints of other colors. The text is overlaid in white, bold, sans-serif font across the top half of the image.
