

A scenic waterfall cascading over large, mossy rocks in a natural setting. The water flows from the top left, down a series of large, light-colored rocks, and continues to flow over more rocks towards the bottom right. The rocks are covered in green moss and algae, and the water is white with foam as it falls. The background shows a clear blue sky and some green foliage.

Genesis 17:26 In the selfsame day
was Abraham circumcised, and
Ishmael his son.
