

A close-up photograph of a cluster of small, white, five-petaled flowers with yellow centers, growing from a wooden fence. The fence is made of weathered, greyish-brown planks. The background is dark and out of focus, suggesting a garden or wooded area. The text is overlaid on the upper portion of the image in a white, serif font.

**Genesis 27:14 And he went, and  
fetched, and brought them to his  
mother: and his mother made  
savoury meat, such as his father  
loved.**
