

A close-up photograph of a green stem with several bright yellow flowers. The flowers have a distinct pattern of dark red or brown stripes on their petals. The background is a solid, dark grey or black color, which makes the yellow and green of the flowers stand out prominently. The text is overlaid on the upper portion of the image.

Genesis 29:08 And they said, We cannot, until all the flocks be gathered together, and till they roll the stone from the well's mouth; then we water the sheep.
