

A long-exposure photograph of a waterfall cascading over dark, layered rocks. The water is blurred into a soft, white flow, creating a sense of movement. The surrounding environment is a dense, vibrant green forest with various types of foliage and trees. The lighting is natural, highlighting the textures of the water and the leaves.

**Genesis 30:38 And he set the rods
which he had pilled before the
flocks in the gutters in the
watering troughs when the flocks
came to drink, that they should
conceive when they came to drink.**
