

Genesis 37:19 And they said one to another, Behold, this dreamer cometh.

A vibrant, lush forest scene featuring a multi-tiered waterfall cascading over large, moss-covered rocks. The moss is a bright, saturated green, contrasting with the darker, wet rocks. The water is clear and creates a soft, misty spray as it falls. The background is filled with dense green foliage, including ferns and other forest plants, creating a sense of a deep, verdant wilderness.
