

A close-up photograph of a purple flower, possibly a lily or a similar species, with several large, overlapping petals. The petals are a deep purple color with some lighter, almost white, variegation. The flower is set against a background of dark green, slightly out-of-focus leaves. The lighting is soft, highlighting the texture of the petals.

his brethren, What profit is it if we  
slay our brother, and conceal his  
blood?**
