

A photograph of a small, clear stream flowing through a dense forest. The water is shallow and clear, with some white foam from a small waterfall or rapids in the foreground. The stream is surrounded by lush green foliage, including ferns and various trees. Several large, weathered logs and rocks are scattered along the banks and in the water. The lighting is dappled, with sunlight filtering through the trees, creating a serene and natural atmosphere.

**Genesis 44:05 Is not this it in  
which my lord drinketh, and  
whereby indeed he divineth? ye  
have done evil in so doing.**
