

Genesis 07:17 And the flood was forty days upon the earth; and the waters increased, and bare up the ark, and it was lift up above the earth.

A photograph of a rocky coastline. The foreground shows white, foamy waves crashing against dark, wet rocks. The middle ground features a larger, dark rock formation with a wave splashing over it. The background consists of a steep, rocky cliffside covered in green vegetation. The sky is not visible, as the cliff and water fill the frame.
