

A sunset over a body of water. The sun is low on the horizon, creating a bright glow and reflecting on the water. The sky is filled with scattered clouds. In the distance, there are silhouettes of industrial structures, including a large cylindrical tank. A dark dock is visible in the foreground on the right side.

Genesis 08:13 And it came to pass
in the six hundredth and first year,
in the first month, the first day of
the month, the waters were dried
up from off the earth: and Noah
removed the covering of the ark,
and looked, and, behold, the face
of the ground was dry.
