

Exodus 12:37 And the children of Israel journeyed from Rameses to Succoth, about six hundred thousand on foot that were men, beside children.

A close-up photograph of a purple hydrangea flower. The main flower is in the lower right, showing its characteristic clusters of small, light purple blossoms. In the foreground, there are several buds, some white and some yellow, which are part of the same plant. The background is a soft, out-of-focus purple, matching the main flower's color.
