

Exodus 16:21 And they gathered it every morning, every man according to his eating: and when the sun waxed hot, it melted.

A photograph of a garden bed with snow and green plants. The scene is set outdoors, with a concrete sidewalk in the foreground and a wooden fence in the background. The garden bed is filled with dark brown mulch and several clumps of green, leafy plants, likely tulips, which are partially covered in a layer of white snow. The snow is piled up around the plants, suggesting a recent snowfall. The overall lighting is soft and diffused, typical of an overcast day.
