

A photograph of two birds, possibly terns, perched on a dark, textured rock. The bird in the foreground is dark brown with white underparts and a white forehead. The bird behind it is similar but has a white breast and neck. The background is a blurred natural setting.

Exodus 21:29 But if the ox were  
wont to push with his horn in time  
past, and it hath been testified to  
his owner, and he hath not kept  
him in, but that he hath killed a  
man or a woman; the ox shall be  
stoned, and his owner also shall be  
put to death.
