

**Exodus 25:14 And thou shalt put
the staves into the rings by the
sides of the ark, that the ark may
be borne with them.**

A close-up photograph of a white lily flower in full bloom, positioned in the upper right quadrant. The flower has six large, white, slightly curved petals. In the center, the reproductive parts are visible: a green pistil with a small, clear, glistening drop of nectar on its tip, and several bright yellow stamens. The background is a soft-focus garden scene with green leaves, other yellow flowers, and a hint of a pink flower in the bottom right corner. The lighting is natural, highlighting the texture of the petals.
