

A close-up photograph of a pine tree branch. The branch is covered in vibrant green, needle-like leaves. Several brown, textured pine cones are attached to the branch, some appearing to be in the process of opening. The background is a soft, out-of-focus green, suggesting a forest setting. The text is overlaid on the upper portion of the image in a white, serif font.

Exodus 34:19 All that openeth the
matrix is mine; and every firstling
among thy cattle, whether ox or
sheep, that is male.
