

A close-up photograph of a blackberry bush. The image shows several clusters of ripe, dark purple-black berries hanging from a woody stem. The leaves are bright green with serrated edges and prominent veins. The background is a soft-focus green, suggesting a natural outdoor setting.

1st Kings 02:17 And he said, Speak, I
pray thee, unto Solomon the king,
for he will not say thee nay, that he
give me Abishag the Shunammite
to wife.
