

**1st Kings 22:44 And Jehoshaphat  
made peace with the king of Israel.**

A close-up photograph of a branch from a cedar or juniper tree. The branch is covered in dense, green, needle-like leaves that are pointed and have a slightly waxy texture. The lighting is bright, creating strong highlights and deep shadows, which emphasizes the texture of the leaves. The background is dark and out of focus, making the green foliage stand out prominently.
