

A close-up photograph of a decorative fountain. The fountain has a rounded, textured body with a bronze or copper-like finish. The surface is covered in intricate, embossed patterns that resemble leaves or floral motifs. At the top center, a small, clear glass or crystal spout is mounted, from which a thin stream of water is falling. The background is a soft-focus green, suggesting an outdoor setting with foliage.

**1st Kings 05:18 And Solomon's  
builders and Hiram's builders did  
hew them , and the stonesquarers:  
so they prepared timber and  
stones to build the house.**
