

A close-up photograph of a bouquet of flowers. The bouquet features a large cluster of bright pink flowers on the left side and several smaller purple flowers with yellow centers on the right and bottom. The flowers are surrounded by lush green leaves. The background is slightly blurred, showing what appears to be a wooden structure and a blue object.

And it came to pass  
in the four hundred and eightieth  
year after the children of Israel  
were come out of the land of Egypt,  
in the fourth year of Solomon's  
reign over Israel, in the month Zif,  
which is the second month, that  
he began to build the house of the  
LORD.
