

A close-up photograph of a cluster of small, five-petaled purple flowers with yellow centers, growing from a light-colored, textured rock. The background is dark and out of focus, showing more of the same flowers. The lighting is bright, creating strong highlights and shadows on the rock and flowers.

**1st Kings 09:28 And they came to
Ophir, and fetched from thence
gold, four hundred and twenty
talents, and brought it to king
Solomon.**
