

A vibrant orange butterfly is perched on a cluster of bright pink flowers. The butterfly's wings are a rich, solid orange color. The flowers are small and numerous, creating a dense, colorful cluster. The background is filled with green foliage, including long, narrow leaves and more out-of-focus pink flowers, creating a soft, natural setting. The text is overlaid in a white, serif font, centered on the image.

2nd Kings 07:02 Then a lord on
whose hand the king leaned
answered the man of God, and
said, Behold, if the LORD would
make windows in heaven, might
this thing be? And he said, Behold,
thou shalt see it with thine eyes,
but shalt not eat thereof.
