

**1st Chronicles 02:29 And the name
of the wife of Abishur was Abihail,
and she bare him Ahban, and
Molid.**

A scenic view of a rocky coastline. The foreground and middle ground are dominated by large, smooth, tan-colored rock formations, likely sandstone, which have been shaped by erosion. The rocks are scattered along the shore, with some waves crashing against them, creating white foam. The water is a deep blue-green color. In the background, there are more rugged, dark-colored rock formations and some green vegetation on a hillside. The overall scene is a beautiful natural landscape.
