

A close-up photograph of a cluster of yellow daffodils. The flowers are in various stages of bloom, with some fully open and others as buds. The green leaves are long and narrow, growing densely together. The background is a layer of brown mulch, and a wooden fence is partially visible at the top. The text is overlaid in white, serif font, centered across the upper half of the image.

1st Chronicles 16:33 Then shall the
trees of the wood sing out at the
presence of the LORD, because he
