

A scenic view of a rocky coastline. In the foreground, there are lush green trees, including a large pine tree on the right and some leafy branches on the left. The middle ground features large, smooth, light-colored rock formations that appear to be part of a cliffside or a rocky shore. The sea is a deep blue, with some white foam visible near the rocks. The background shows a continuation of the rocky terrain under a clear sky.

1st Chronicles 23:06 And David
divided them into courses among
the sons of Levi, namely, Gershon,
Kohath, and Merari.
