

**1st Chronicles 07:27 Non his son,
Jehoshuah his son.**

A photograph of a rocky streambed with snow patches. The scene is captured in a low-angle, close-up shot, showing a path of dark, wet rocks leading towards a small stream. Patches of snow are scattered across the rocks and the surrounding ground, particularly on the right side of the frame. The background is slightly out of focus, showing more rocks and some sparse, dry vegetation. The lighting is soft, suggesting an overcast day or late afternoon.
