

A close-up photograph of a single green zucchini vegetable resting on a dark, textured surface. The zucchini is positioned in the lower right quadrant of the frame. To its left and in the foreground, there are large, green, lobed leaves, some of which are out of focus. The background is a dark surface with irregular, bright, star-shaped shadows cast across it, suggesting a light source from above. The overall scene is brightly lit, with high contrast between the dark shadows and the bright highlights on the zucchini and leaves.
