

2nd Chronicles 33:09 So Manasseh made Judah and the inhabitants of Jerusalem to err, and to do worse than the heathen, whom the LORD had destroyed before the children of Israel.

The background of the image is a black mesh net, likely a butterfly net, with two butterflies resting on it. One butterfly is in the lower right, showing its wings with a complex pattern of brown, grey, and white spots and lines. Another butterfly is partially visible in the lower left, mostly obscured by the net's mesh. The background behind the net is a blurred natural setting with green foliage and brown earth.
