

A black butterfly with orange spots on its wings is perched on a cluster of small purple flowers. The background is a soft-focus green and yellow, suggesting a natural outdoor setting. The text is overlaid in white, bold, sans-serif font.

**2nd Chronicles 35:25 And Jeremiah
lamented for Josiah: and all the
singing men and the singing
women spake of Josiah in their
lamentations to this day, and
made them an ordinance in Israel:
and, behold, they are written in
the lamentations.**
