

A close-up photograph of pink hydrangea flowers and green leaves. The flowers are in various stages of bloom, with some showing the intricate details of the stamens and pistils. The leaves are large and vibrant green, with some showing signs of insect damage (holes). The background is a soft, out-of-focus green.

**2nd Chronicles 36:02 Jehoahaz
was twenty and three years old
when he began to reign, and he
reigned three months in
Jerusalem.**
