

A close-up photograph of a garden. In the foreground, a large, vibrant purple iris is in full bloom, its petals showing subtle veining. Behind it, several bright yellow flowers, possibly hibiscus, are also in bloom, their petals appearing soft and slightly ruffled. The background is filled with lush green foliage, including small, rounded leaves and some purple flowers. The lighting is bright, creating strong highlights and deep shadows, which makes the colors of the flowers appear very saturated and vibrant. The overall scene is a dense and colorful floral arrangement.
