

A waterfall cascading down a mossy, green rock face. The water is white and frothy as it falls, creating a misty spray at the bottom. The surrounding vegetation is lush and green, with moss covering the rocks. The overall scene is serene and natural.

**Job 11:06 And that he would show  
thee the secrets of wisdom, that  
they are double to that which is!  
Know therefore that God exacteth  
of thee less than thine iniquity  
deserveth .**
