

A vibrant photograph of a waterfall cascading over a series of large, light-colored rocks. The rocks are heavily covered in bright green moss and small plants. The water is clear and creates a misty spray at the bottom. In the background, there are lush green trees and a clear blue sky. The overall scene is bright and natural.

Job 12:08 Or speak to the earth,
and it shall teach thee; and the
fishes of the sea shall declare unto
thee.
