

**Job 15:18 Which wise men have told
from their fathers, and have not
hid it :**

A photograph of a garden bed featuring several green iris plants. The plants have long, pointed, lanceolate leaves that are a vibrant green color. They are growing in a bed of dark brown mulch, which is interspersed with some fallen, brown leaves. The background is slightly out of focus, showing more of the same plants and a hint of a light-colored surface, possibly a path or a wall.
