

**Job 28:22 Destruction and death
say, We have heard the fame
thereof with our ears.**

A close-up photograph of a vibrant red rose with green leaves in the background. The rose is the central focus, with its many petals showing a rich, slightly darker red hue towards the center and a lighter, almost pinkish-red at the edges. The leaves are a deep green, with some showing signs of being eaten or damaged. The lighting is dramatic, with strong highlights and deep shadows, giving the rose a three-dimensional appearance.
