

A photograph of a stream with a white rock in the center, overlaid with a biblical quote. The stream flows from the top left towards the bottom right. The water is clear, revealing a sandy and pebbly bed. A single, smooth, white rock sits in the middle of the stream, its reflection visible in the water. The surrounding banks are covered in green moss and small plants. The text is written in a white, serif font, centered over the upper half of the image.

maker would soon take me away.
