

**Job 33:16 Then he openeth the ears
of men, and sealeth their
instruction,**

A bright sun or moon is partially obscured by clouds, set against a golden sky. The sun is a bright yellow-orange circle with some darker spots, positioned in the upper left quadrant. The sky is filled with soft, golden light, with some darker, wispy clouds. The overall color palette is warm, ranging from deep orange to bright yellow.
