

A close-up photograph of a tomato plant. In the center, a single, round, bright red tomato is visible, partially obscured by green leaves. To the left, a larger, unripe green tomato is shown. The leaves are vibrant green and have some small holes, suggesting insect activity. The background is filled with more green foliage, creating a dense, natural setting.

**Job 35:15 But now, because it is not  
so , he hath visited in his anger;  
yet he knoweth it not in great  
extremity:**
