

A close-up photograph of a field of yellow and black flowers, likely a species of Ranunculus, with green foliage. The flowers have bright yellow petals with dark, almost black, markings in the center. The background is filled with more of these flowers and green leaves, creating a dense, natural setting.

Job 37:06 For he saith to the snow,
Be thou on the earth; likewise to
the small rain, and to the great
rain of his strength.
