

A photograph of a rugged, rocky mountain landscape. The foreground and middle ground are dominated by dark, layered rock formations, likely volcanic or sedimentary. The rocks are jagged and show signs of weathering. In the background, there are more mountains under a clear blue sky. Sparse vegetation, including dry grasses and small green shrubs, is scattered across the rocky terrain. The overall scene is bright and clear, suggesting a sunny day.

Job 39:09 Will the unicorn be
willing to serve thee, or abide by
thy crib?
