

**Psalms 17:08 Keep me as the apple
of the eye, hide me under the
shadow of thy wings,**

A close-up photograph of a yellow lily flower with dark spots on its petals, set against a dark background. The flower is the central focus, with its six petals fully open and showing distinct dark brown or red spots. The background is dark and out of focus, with some vertical lines suggesting a stem or other parts of the plant.
